### **Frequently Asked Questions:**

1. What if I mail in my registration?
  - If you mail in your entry, you will still receive a confirmation email once they receive your registration form.
2. What if I don't have email?
  - Provide a copy of the registration form to the treasurer (either in person or mail to the CTC P.O. Box)
3. Does this cover any registration fee through on-line?
  - No, the maximum reimbursement is \$60.
4. How will the 'first come first serve' be decided?
  - This will be based on the order in which I receive the registration confirmations and will be cross checked with the race results to determine the (35) persons who will receive reimbursements.
5. What if I register on race day?
  - The website does not show an option for this, but if it is available, you will need to mail or email your receipt, and if there are still available reimbursements, you will receive the \$60 maximum.
6. Do I have to Finish the Race?
  - No, as long as you show up to the race and your name shows up on the official race results, even if it says "DNF" (Did Not Finish), but it cannot say "DNS" (Did Not Start).
7. How is the club able to do this?
  - The club has many generous sponsors that have been with us for years. Their generosity as well as the annual club memberships has afforded CTC the ability to provide this to the club.
