Requirements for Reimbursement

1. You **must** start the race, you don't have to finish
2. You **must** bring a volunteer to the race
 - You will be required to bring your volunteer to registration on race day for check-in
3. You **must** register before the July 15th Early Registration Deadline
4. Reimbursement of **entry fee only**; no other fees or charges are reimbursed
5. Limited to the first **(25)** Club Members based on the following:
 - You must register for the **Individual** Triathlon or Duathlon
 - Upon Registration, forward your race confirmation to treasurer@chicotriathlonclub.com.
 - Show up and participate at the Black Butte Triathlon or Duathlon
 - The first (25) Club Members that have provided me their registration confirmation, brought at volunteer to the race, and have been confirmed to have raced, will be reimbursed through PayPal or mailed a reimbursement check after the event.

Frequently Asked Questions:

1. Does this cover any registration fee through on-line?
 - No, the maximum reimbursement is either \$130 or \$100 depending on which race you sign up for.
2. How will the 'first come first serve' be decided?

- This will be based on the order in which I receive the registration confirmations and will be cross checked with the race results to determine the (25) persons who will receive reimbursements.
3. What if I miss the Registration Deadline?
 - Depending on availability, there may be potential for additional reimbursements, but this not guaranteed at this time. Additionally, you will only be reimbursed at the amount of the original early registration fee if there are reimbursements available.
 4. Do I have to Finish the Race?
 - No, as long as you show up to the race and your name shows up on the official race results, even if it says “DNF” (Did Not Finish), but it cannot say “DNS” (Did Not Start).
 5. How is the club able to do this?
 - The club has many generous sponsors that have been with us for years. Their generosity as well as the annual club memberships has afforded CTC the ability to provide this as a club benefit.
 6. What if I my volunteer doesn't show up to support the race?
 - In order for the athlete to be reimbursed, they **must** bring a volunteer. If the athlete does not bring a volunteer, there will be no reimbursement.
